

# COMMUNITY VIBRANCY

## [IMPACT STATEMENT]

*The neighborhood is vibrant, demonstrating inclusive growth, engagement of its residents and parents in advancing solutions, a vibrant and representative economic sector and quality public amenities.*

## [OUTCOME]

Parents are engaged at numerous levels of planning and action alongside organizational leadership and are part of an annual report of progress on the resident-led Neighborhood Improvement Plan.

## [GOAL]

**A Community Leadership Institute is in place that develops at least 20 new leaders per year that are targeted community leaders. 75% of annual objectives will have a CLI graduate as an active part of the work.**

**Parent teams at each target schools are organized and supported to be active advocates for high-quality education.**

## [OUTCOME]

Public and commercial assets and spaces will reflect its community aspirations and identity and serve the needs of its community.

## [GOAL]

**The economic development partners are committed to inclusion when it comes to economic development in the neighborhood.**

**There are accessible, clear pathways for commercial capital for underrepresented entrepreneurs and review neighborhood metrics to ensure inclusion.**

**Support inclusive growth policies and practices that will impact the Kendall-Whittier Neighborhood.**

## [ACTION]

- Create, implement and sustain a Community Leadership Institute.
- Lead the creation of robust parent action teams that drive toward an excellent education pipeline.
